

International Symposia on the Science and Technology of Lighting

COPYRIGHT TRANSFER FORM

To ensure uniformity of treatment for all contributors, no other form may be substituted in place of this form, nor any part of its wording be altered. This form is intended for original material submitted to the 16th International Symposium on the Science and Technology of Lighting (LS) and must accompany any such material in order to be published by the LS International Scientific Committee (ISC) in the LS:16 Proceedings Volume. The Copyright to the published LS:16 Proceedings Volume will be held by FAST-LS Ltd (www.fast-ls.org).

Please read the form carefully and keep a copy for your files.

TITLE OF PAPER (hereinafter, “the Work”):

COMPLETE LIST OF AUTHORS:

Copyright Transfer

The undersigned hereby assigns to the LS International Scientific Committee (the “LS:ISC”) all rights under copyright that may exist in and to the above Work, and any revised or expanded derivative works submitted to the LS symposia by the undersigned based on the Work. The undersigned hereby warrants that the Work is original and that he/she is the author of the Work; to the extent the Work incorporates text passages, figures, data or other material from the works of others, the undersigned has/have obtained any necessary permissions. **See below for Retained Rights and other Terms and Conditions.**

Author Responsibilities

The LS:ISC distributes its technical publications throughout the world and wants to ensure that the material submitted to its publications is properly available to the readership of those publications. Authors must ensure that their Work meets the requirements of originality, authorship, author responsibilities and author misconduct. It is the responsibility of the authors, not the LS:ISC, to determine whether disclosure of their material requires the prior consent of other parties and, if so, to obtain it. Authors are also advised that statements and opinions given in work published by the LS:ISC are the expression of the authors. Responsibility for the content of published papers rests upon the authors, not LS:ISC

General Terms

- The undersigned represents that he/she has the power and authority to make and execute this assignment.
- The undersigned agrees to indemnify and hold harmless the LS:ISC from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.
- In the event the above work is not accepted and published by the LS:ISC or is withdrawn by the author(s) before acceptance by the LS:ISC, the foregoing copyright transfer shall become null and void and all materials embodying the Work submitted to the LS:ISC will be destroyed.
- For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.

(1) _____
Author/Authorized Agent for Joint Authors

Date

U.S. Government Employee Certification (where applicable)

This will certify that all authors of the Work are U.S. government employees and prepared the Work on a subject within the scope of their official duties. As such, the Work is not subject to U.S. copyright protection.

(2) _____
Authorized Signature Date

(Authors who are U.S. government employees should also sign signature line (1) above to enable the LS:ISC to claim and protect its copyright in international jurisdictions.)

Crown Copyright Certification (where applicable)

This will certify that all authors of the Work are employees of the British or British Commonwealth Government and prepared the Work in connection with their official duties. As such, the Work is subject to Crown Copyright and is not assigned to the LS:ISC as set forth in the first sentence of the Copyright Transfer Section above. The undersigned acknowledges, however, that the LS:ISC has the right to publish, distribute and reprint the Work in all forms and media.

(3) _____
Authorized Signature Date

(Authors who are British or British Commonwealth Government employees should also sign line (1) above to indicate their acceptance of all terms other than the copyright transfer)

Retained Rights and other Terms and Conditions

- Authors/employers retain all proprietary rights in any process, procedure, or article of manufacture described in the Work.
- Authors/employers may reproduce or authorize others to reproduce the Work, material extracted verbatim from the Work, or derivative works for the author's personal use or for company use, provided that the source and the LS:ISC copyright notice are indicated, the copies are not used in any way that implies LS:ISC endorsement of a product or service of any employer, and the copies themselves are not offered for sale.
- Authors/employers may make limited distribution of all or portions of the Work prior to publication if they inform the LS:ISC in advance of the nature and extent of such limited distribution.
- In the case of a Work performed under a U.S. Government contract or grant, the LS:ISC recognizes that the U.S. Government has royalty-free permission to reproduce all or portions of the Work, and to authorize others to do so, for official U.S. Government purposes only, if the contract/grant so requires.
- For all uses not covered by items 2, 3, and 4, authors/employers must request permission from the LS:ISC Intellectual Property Rights office to reproduce or authorize the reproduction of the Work or material extracted verbatim from the Work, including figures and tables.
- Although authors are permitted to re-use all or portions of the Work in other works, this does not include granting third-party requests for reprinting, republishing, or other types of re-use. The LS:ISC Intellectual Property Rights office must handle all such third-party requests.

Submission of Copyright Transfer Form

A Completed Copyright Transfer Form (*a scanned pdf is sufficient*) must be submitted with each Contributed paper submitted to the LS:ISC for consideration by them for inclusion in the published LS:16 Proceedings Volume. Please note that each submitted Contributed paper is subject to refereeing by members of the LS:ISC and Local Organizing Committee (LOC), and possibly by others that the LS:ISC may choose to consult.
